OUR MILESTONE

2014 LEZORA

The LEMZON group was inceptioned in 2014 as LEZORA as the founding company of the group.

2019 LEZWIN

Built on the experience of the founders, Lemzon branched out with the addition of LEZWIN in 2019, all set for expansion.

2023 AND BEYOND

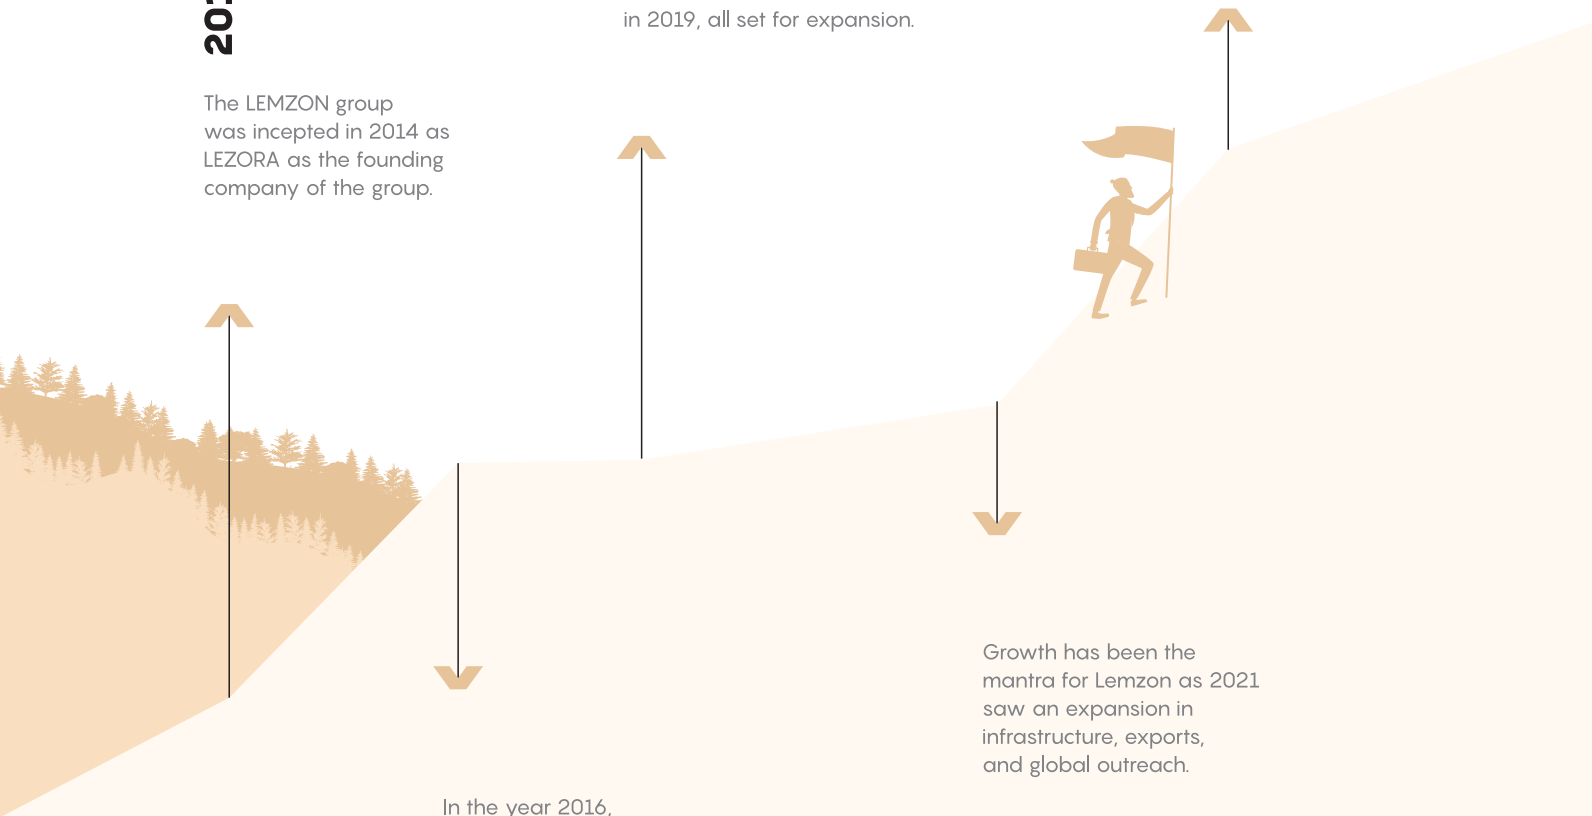

Adding techno-rich equipment to produce supreme quality to meet the domestic and international market, and creating a sustainable and environment-friendly infrastructure.

2016 LEMZON

In the year 2016, LEMZON was established with a mission to provide quality products in the Indian market through research and innovation.

2021 LEMZON EXPANSION

Growth has been the mantra for Lemzon as 2021 saw an expansion in infrastructure, exports, and global outreach.

INDIAN HEART, WORLDWIDE OUTREACH!

The company has always focused stylistic and technological research towards consistent projects that aim to ensure the highest quality of materials. Our products' high aesthetic and technical performance results from distinctive choices with the brand imprinting its own unmistakable mark in the world ceramic industry.

Lemzon provides sophisticated designs with a concept of total quality, pursuing complete customer satisfaction, and guaranteeing the best value, design, and innovation.

Our products combine aesthetics and functionality to create innovative trends that correspond to people's demands and desires. Through creative aesthetics and the best technology in the manufacturing of all products, Lemzon has managed to reach homes around the world, always offering the highest quality of service and products.

OUR VISION

Our vision is to be recognized as a performance leader in the tile industry through operational excellence, customer satisfaction, research, and innovation and to promote environmentally efficient infrastructure.

OUR MISSION

To be the preeminent provider of superior products and services by consistently improving the quality and adding value for clients through innovation, foresight, integrity, and aggressive performance while upholding stringent environmental and social norms to support a sustainable future.

OUR TEAMWORK MAKES OUR DREAMS WORK

Our strength encompasses the trust and belief in our people. We speak from experience that anything is possible with cooperation and collaboration and that when we listen to others, we cultivate the curiosity and empathy to unlock innovation.

At Lemzon Granite, each individual brings their own experiences and ideas to the table. Synergizing the collective abilities and talents of every team member, we build unstoppable momentum that drives us towards incredible success.

ENABLING INFRASTRUCTURE

At Lemzon, we understand that quality is the key to customer satisfaction and we are committed to manufacturing high-quality products in an enabling and techno-rich infrastructure. The dynamics of growth, innovation, aspiration, and teamwork form the mental strength of the group, redefining boundaries and pushing the team towards success — all this resulting in organic expansion of operations, offerings, and deliverance of quality.

QUALITY CONTROL

By embracing the vision of our founders, Lemzon Granite goes beyond the products and services, aiming to be the best in the world of tiles and surfaces.

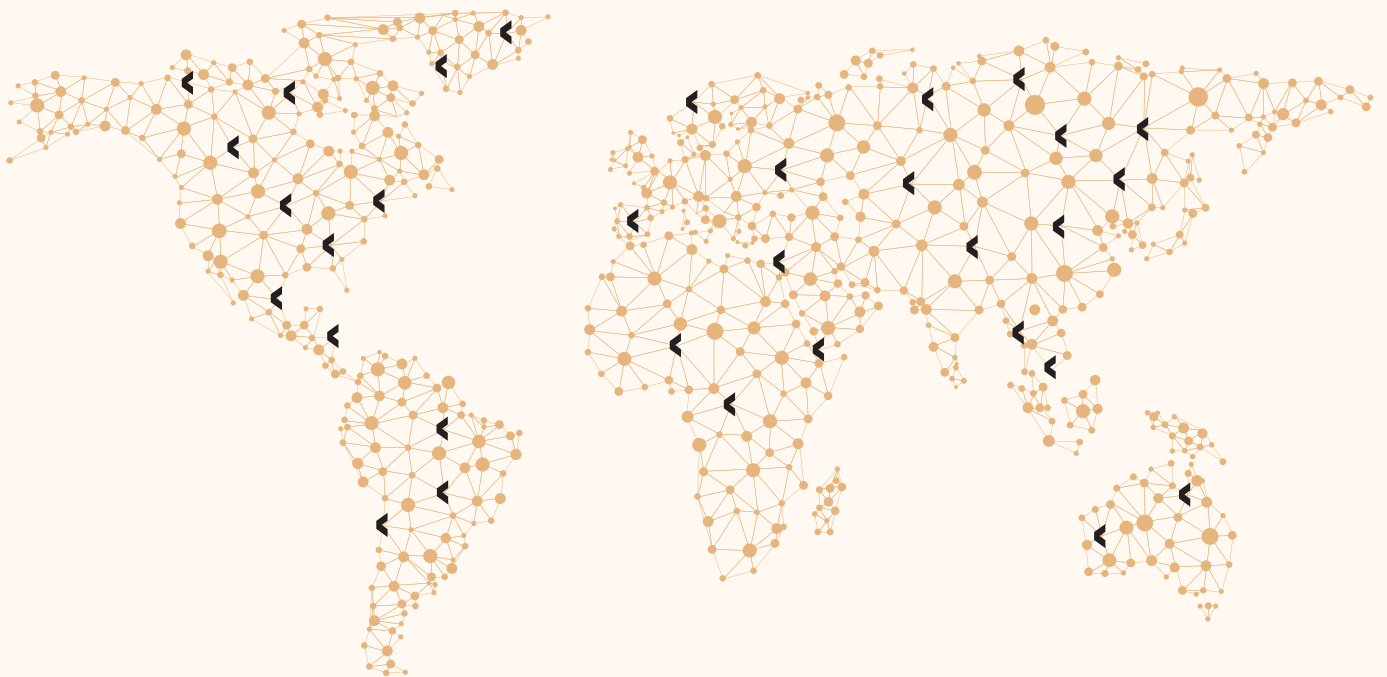

Innovation and design revolution will be the essence of our journey forward. Improvement, market dominance, profit leadership, and customer loyalty will be the four pillars on which we aspire to weave our growth story.

GLOBAL FOOTPRINTS

Lemzon Granito is the leading exporter & supplier of GVT and PGVT Glazed Vitrified Tiles in 800x1600mm, 600x1200mm, 600x600mm, and 195x1200mm sizes in designs that have evolved over time with more durability and style.
